For Sale : **€ 99,000**

Description
Dora is a Limassol village where parks and green spaces lie within walking distance. Its centre, with restaurants, cafés and a school, is a short drive away. This large residential field sits in that setting, with authentic Cypriot village life close by.

Residential zoning gives the land a clear purpose: room for a home, with building of up to two floors permitted. The field has direct road access along a registered road and a long frontage onto it. That makes it a straightforward starting point for planning a house.

Picture a morning walk to the green spaces nearby, then a short drive into the village for coffee. The wider region adds its own draw, including the heritage coastline of Petra tou Romiou.

The sale is of a 33% share of the field. Village surroundings, residential zoning and direct road access give it an honest, versatile foundation.
