Description
Giolou is a Paphos village with a strong local identity, and here, within its residential area, lies a field of 2,676 m². The village centre, its cafés and shops are a short drive away, and so is Evretou Lake, a lovely spot for an unhurried afternoon by the water.

The ground is flat and regularly shaped, a straightforward canvas to plan around. Its residential zoning gives room for a home, and building on two floors is permitted. Picture a house set out on level land in a sizeable plot, with the everyday life of the village close at hand.

A main road is close by, and the neighbouring villages of Miliou and Old Theletra are each a short drive away. Level land, a generous area and a welcoming village around it make this a place to begin a home in Giolou.
