For Sale : **€ 56,250**

Description
A short walk from the beach at Kato Pyrgos, this residential field offers a large piece of land in a coastal village setting. At 8,878 m², it gives generous room for a home, and two floors may be built on it.

Picture a morning that begins with a stroll down to the shore and ends back on land you have shaped yourself. The village centre, with its shops, cafés and restaurants, is a short drive away, so daily errands stay simple. A motorway runs close to the land, which helps with trips further afield.

The sale is for a half share of the field.

With the sea so near and the village close at hand, this is a sizeable stretch of residential land where life by the coast can take shape.
