For Sale : **€ 285,000**

**Description**
Troodos National Forest Park is within walking distance of this sizeable field in Kakopetria, so an afternoon outdoors can begin with nothing more than a short walk from the land. The village centre is a short drive away, as is neighbouring Galata, with restaurants, cafés and parks within easy reach for everyday life. Spread over two parcels, the land covers 17,057 m² and has direct road access from a public road. Part of it lies in a residential zone, which gives room for a home of up to two floors on that part. Another part of the land lies in a protection zone. Picture settling into village life in Kakopetria, with the forest park close enough to reach on foot and the cafés of the village centre a short drive away. Owning land here means a stake in a real Cypriot village and its green surroundings, with the national forest park as your neighbour.
