For Sale : **€ 115,000**

Description
Lagoudera keeps an honest, unpretentious village rhythm, and this large residential field sits within it, set to one side of the community's centre. Restaurants and cafés lie within walking distance, so a morning coffee or a long lunch in the village is only a stroll away.

The land extends to 18,688 m², a generous stretch of ground that gives a future home real breathing space. Its residential zoning allows a house of up to two floors, with room to plan something shaped around the way you want to live. A pathway serves the field, and a road lies close by.

Beyond the village, neighbouring Saranti is a short drive away, so a change of scene is easy to find while daily life stays rooted in Lagoudera's authentic surroundings.

Here, a home could take shape at its own pace, with the cafés and the everyday life of the village a walk away.
