For Sale : **€ 35,000**

**Description**
Village life sets the pace in Analiontas, and this residential field sits only a short way from the community centre at its heart. Everyday errands, a coffee in the village and a chat with neighbours all stay close, while Tamasos Lake is a short drive away for an easy escape into nature at the weekend.

The field is large, extending to 13,379 m² in total, and lies within a residential zone with room for a home of up to two floors. It is easy to picture a family home taking shape here, rooted in the rhythm of village life, with neighbouring Kataliontas and Kampia close by for a change of scene.

A distribution agreement is in place. The sale is for a 33% share of the field.

A sizeable piece of residential land, close to the centre of a welcoming village and the calm of Tamasos Lake.
