Description

Residential Field for Sale in Mitsero – Scenic Setting with Great Potential
Offered by G. Plazarou Real Estate, this residential field is located within the administrative boundaries of Mitsero village, in the peaceful Nicosia District. The property lies approximately 400 meters northeast of the Community Council, in an area surrounded by nature and rural charm.

It features an irregular shape and a slightly sloping surface from north to south, adding character to the landscape. A natural stream crosses the property, enhancing its serene atmosphere and offering a unique setting for development.

The field abuts Agios Panteleimon Street—a registered public road—along its western boundary, with a generous frontage of approximately 118 meters.

From the property, there is a beautiful view of the surrounding area, making it an excellent choice for those seeking a quiet residential environment with development potential in a scenic village setting.
