Description
Just a short way from the heart of Pera village, this residential field offers 4,938 m² of land with village life close at hand. The centre of the community is only a short drive away, so a morning coffee or the day's errands stay simple and unhurried.

The land lies in a residential zone, and a home of up to two floors may be built here. With this much ground, there is room to imagine how a house might sit on the land and how much open space to keep around it.

Beyond the village, the wider area invites exploring. Neighbouring Politiko is close by, and Tamasos Lake is a short drive away for a relaxed weekend outing. Larger roads and the motorway are a drive away when the day calls for the city.

A sizeable piece of residential land near the centre of Pera, with room to shape a home in an authentic village setting.
