Description
A short drive from the centre of Pano Pyrgos, this agricultural field covers 17,726 m² of farmland in the Nicosia district. Its agricultural zoning suits farming and planting, and electricity and water supplies are available nearby.

A main road runs a short way from the land, and the neighbouring villages of Kato Pyrgos and Pigenia are also a short drive away. The field is landlocked and has no direct road access. It is a large plot of farmland close to an established village.
