Description
Village life in the Paphos district sets the tone here. In Praitori, a large, level field in a residential zone offers room for a home of your own, with the rhythm of the village all around it.

The ground is flat across its 3,679 m², which makes it easy to picture where a house might stand. The zone allows a home of up to two floors. The field sits right on the road that links Praitori with the villages of Agios Nikolaos and Kedares, so it has direct road access along a generous frontage.

Daily needs are simple to meet. A shop is within walking distance, and the neighbouring village of Kedares is a short drive away. For time outdoors, Arminou Reservoir is also close by car, adding a natural setting to life in this corner of the district.

Level land, a village setting and a road at its edge make this a straightforward place to begin shaping a home in Praitori.
