For Sale : **€ 78,000**

Description
Just a short walk from the heart of Sotira, this residential field keeps village life close at hand. The cafés, the familiar faces and the daily rhythm of the centre are a stroll away. Paralimni Lake, a much-loved nature spot, can also be reached on foot, so an evening walk by the water can be part of ordinary life here.

The land is large and its surface is flat, which makes it easy to picture a home taking shape. Residential zoning allows building of up to two floors, and the field is reached by a registered dirt road.

When you need more than the village offers, the town of Paralimni is a short drive away. Around you, the setting stays residential, with the village close by.

The sale is of a 49% share of the field.

Flat, sizeable residential land with both the village centre and the lake within easy walking distance.
