For Sale : **€ 63,000**

Description
Paralimni's town centre is only a short drive away, yet this sizeable field gives you a broad stretch of land to consider at your own pace. Daily life in town stays within easy reach, and Paralimni Lake is a short drive too, ready for an unhurried afternoon walk by the water. Neighbouring Kapparis is also close by.

The ground lies flat across all 18,584 m², a simple surface that is easy to walk and to plan on. Most of the land sits in a residential zone, with room for a home, while a smaller part is agricultural and suited to farming. That blend gives the field a practical, grounded character, with a sense of space that is easy to imagine putting to good use.

Here you can picture life with the town and the lake equally within reach, all from a level piece of Paralimni ground. The sale is for a 17% share of the field.

Flat land, a mostly residential setting and the town close at hand make this a piece of Paralimni with plenty to offer.
