Description
A level agricultural field of 16,273 m² in Tochni, in the Larnaca district. The flat ground suits farming and planting, and its size allows cultivation across a large area.

The field lies a short drive from the village centre, and the neighbouring villages of Choirokoitia and Kalavasos are also close by. The Nicosia–Limassol motorway is within easy reach of the area, which links it to the wider district.

A sizeable, level parcel of farmland within the Tochni countryside.
