Right beside the open nature of Alykes Larnakas,
this field...

For Sale : **€ 496,000**

Description
Right beside the open nature of Alykes Larnakas, this field in Meneou brings together a sizeable stretch of land, the town of Larnaca close at hand and the beach a short drive away. A park or green space lies within walking distance, adding a touch of greenery to the everyday picture.

At 18,274 m², the land is flat throughout, and most of it sits in a touristic zone, where the zoning points to tourist use. Part of the land falls within a protection zone. The land has no direct road access.

What stays with you is the setting: a wide, level piece of ground with the natural landscape of Alykes Larnakas at its edge, the coast within easy reach and Larnaca nearby for daily life. It is a place where plans for tourist use can take shape between the town and the sea.

A large, flat field in Meneou, with nature right next door and the beach a short drive away.
