For Sale : **€ 32,500**

Description
On the peaceful residential outskirts of Agios Theodoros, this large field of 9,616 m² offers a calm country setting with the wider Larnaca district never far away. The motorway that links Larnaca, Limassol and Nicosia is easy to reach, and the coast lies close by, so a quiet morning in the village can turn into an afternoon by the sea without fuss.

The land sits in a residential zone, with room for a home of up to two floors. Its generous size leaves plenty of freedom to shape a house or villa around the open feel of the place. The village centre, everyday shops and schools are all a short drive away, and so is the Neolithic settlement of Choirokoitia, a reminder of how long people have chosen to live in this landscape.

A distribution agreement is in place that sets out the use of the land. The sale is for a half share of the field.

A peaceful corner of Larnaca, where village calm, the coast and the motorway all sit within easy reach.
