For Sale : **€ 25,000**

Description
Liopetri carries the easy rhythm of a Famagusta village, with its centre a short drive away and neighbouring Avgorou and Frenaros close at hand. Here, a sizeable residential field of 4,491 m² sits within the life of the community.

The land is flat throughout, which makes it simple to picture a home taking shape on it. Its residential zoning gives room for a home of up to two floors, so a family house could rise here, with the village's everyday shops, schools and services a short drive away.

The land has no direct road access. The sale is of a 67% share of the field.

Level ground and a village setting make this field a place where a home in Liopetri can begin.
