Description
In Kato Koutrafas, this level agricultural field covers 9,700 m². It is a large, even piece of ground for farming or planting. The Nicosia–Troodos main road runs close by, and the Astromeritis–Evrychou road links the area with the wider district.

The village centre is a short drive away, and neighbouring Pano Koutrafas and Potami are also within easy reach. This is a flat field of good size on agricultural land, close to the main road.
