Description
On the rural outskirts of Lysos, in the Paphos district, lies a large agricultural field of 53,847 m². Its agricultural zoning points to farming, and its size leaves plenty of ground for planting crops or for holding countryside land over the long term. The village centre of Lysos and neighbouring Kynousa are both a short drive away, and the main roads are within a drive.

The sale is for a one-quarter share of the field, equal to about 13,462 m². It is a sizeable piece of farmland in rural surroundings.
