Description
In the village of Kato Moni, in the Nicosia district, this agricultural field covers 2,007 m². Its agricultural zoning makes it suited to farming or planting on a manageable scale, or simply to holding as a piece of local farmland.

The village centre is a short drive away, and so are the neighbouring villages of Agioi Iliofotoi and Orounta. Main roads and motorway junctions can be reached by car for links further across the district. A compact parcel of agricultural land within easy reach of Kato Moni village.
