For Sale : **€ 4,000**

Description
On the outskirts of Pigenia, in the Nicosia district, lies an agricultural field of 6,511 m² in a rural setting. The land is zoned for agriculture, which makes it suited to cultivation and planting, or to keeping as farmland. The field sits close to the village centre, and the neighbouring village of Pano Pyrgos is a short drive away. It is a sizeable, practical parcel of farmland on the edge of the village.
