For Sale : **€ 6,000**

Description
On the outskirts of Agios Isidoros in the Paphos district, this large field lies within a short walk of the village centre. The neighbouring villages of Steni and Pelathousa are a short drive away, and main roads serve the wider area.

The land falls within a special protection zone. The sale covers a majority share of the field, about two-thirds of the whole. This is a sizeable parcel of land on the edge of a Paphos village.
