Description
On the rural outskirts of Pomos, just outside the village, this agricultural field covers 6,021 m² of open countryside in the Paphos district. Most of the land lies in an agricultural zone and can be farmed or planted. Part of the land falls within a protection zone.

The village centre is a short drive away, as is neighbouring Pachyammos along the coast road side of the region, with main roads in the wider area. It is a sizeable, largely agricultural parcel of land to farm, plant or hold.
