For Sale : **€ 36,000**

Description
Just beyond the lively heart of Pissouri, this residential field enjoys a peaceful setting. Restaurants and cafés sit right beside it, and the village shops and public offices are within an easy walk.

At 7,693 m², it is a large piece of land in a residential zone, with room for a home of up to two floors. It is easy to picture the life here: a morning coffee at the café next door, a stroll to the shops for the day's groceries, and a calm spot to return to while the village carries on close by.

The coast is close as well. The popular Pissouri Bay tourist area is a short drive away, the Limassol–Paphos motorway is easy to reach, and Paphos International Airport is about 20 km away. The neighbouring villages of Alektora and Platanisteia are a short drive away for a change of scene.

The sale is for a half share of the field. It offers a calm corner of Pissouri, with the village centre a short walk away and the bay within easy reach.
