For Sale : **€ 36,000**

Description
Close to the beach yet away from the bustle, Pigenia offers a peaceful corner of the Nicosia district, and this large, level field sits right in its calm. The nearest village is a short drive away, so daily errands stay simple while the open countryside sets the pace.

Most of the land lies in a residential zone, which gives room for a home of up to two floors on that part. The rest of the land is agricultural, suited to farming. Level ground across 7,098 m² makes it easy to imagine how a home could sit here, with plenty of land around it.

Life in this setting turns outdoors. With the beach close by, a swim can begin or end the day, and Pomos Reservoir is a drive away for quiet walks by the water. The neighbouring villages of Agios Theodoros Tillirias and Pano Pyrgos add to the village rhythm of the area.

Peaceful surroundings, a level parcel and the coast within easy reach make this a place to plan a home around the sea and the countryside alike.
