For Sale : **€ 61,000**

Description
Neo Chorio keeps the coast close at hand, with the beaches and the harbour village of Latchi, as well as Polis, all a short drive away. This large residential field puts you in that corner of Paphos, where village life and the sea sit side by side.

At 22,074 m², it is a generous stretch of land. The residential zoning gives room for a home, and building of up to two floors is permitted. Its regular rectangular shape makes the land simple to understand and to plan around. Picture an unhurried day: a coffee in the village centre in the morning, an afternoon by the water, then an evening back in Neo Chorio. Paphos International Airport is about 35 km away, which helps when arriving from abroad.

The land has no direct road access. The sale is for a 15% share of the field.

Village life with the beaches within reach is what Neo Chorio offers, and this sizeable piece of residential land places you right in it.
