Description
On the rural edge of Kallepeia, a short drive from the village centre, this field covers 5,686 m² of open countryside in the Paphos District. Most of the land is zoned for agriculture and suits farming or planting. Part of it falls within a protection zone.

The field has direct road access along a registered road. The neighbouring villages of Tsada and Letymvou are also a short drive away, and the Limassol–Paphos Motorway is within a drive. It is a sizeable parcel of farmland with its own road frontage.
