For Sale : **€ 13,500**

Description
On the outskirts of Kritou Tera, just moments from the heart of the village, this residential field puts authentic Cypriot village life right on the doorstep. Cafés and restaurants are within walking distance, so a morning coffee or a relaxed evening meal is never far away.

The land covers 3,011 m² in a residential zone, with room for a home of up to two floors. It has direct road access, which keeps everyday comings and goings simple and gives a practical starting point for planning a home.

Picture a life shaped by the rhythm of the village: an unhurried stroll into the centre, familiar faces at the café, and weekend outings to Evretou Lake, a short drive away, where the water and open landscape make a natural escape. It is an unpretentious setting, close to village life yet with the wider Paphos countryside within easy reach.

The sale is for a 43% share of the field. A sizeable piece of residential land, a short walk from the centre of Kritou Tera, with room to imagine a home in the heart of village life.
