For Sale : **€ 7,000**

Description
Just outside Pomos village, with Pachyammos nearby, this agricultural field covers 25,084 m² of Paphos countryside. It lies within an animal breeding zone, so its plain use is livestock farming. The zone allows for barns, animal shelters and other supporting farm buildings, giving room for a working agricultural set-up.

The setting is private and away from the village centre, which still sits a short drive off. The sale is a half share of the field, equal to about 12,542 m². This is a large parcel of farmland in a zone set aside for animal farming.
