Description
Set in the countryside of Theletra village in the Paphos district, this agricultural field covers 25,084 m² as a single, standalone parcel. Its size lends itself to cultivation on a large scale. It has direct road access, which makes it straightforward to bring in equipment and move produce out. The centre of Theletra is a short drive away, and the main road linking Paphos with Polis Chrysochous runs not far from the land. Wider connections to the rest of the district come through the Limassol to Paphos motorway. This is a sizeable piece of farmland in Theletra with its own road access.
