Description
On the rural outskirts of Agios Theodoros in the Larnaca district, this agricultural field covers 21,071 m² of flat ground. The level terrain makes the most of the usable area, which suits cultivation and planting across the whole parcel.

The land lies just outside the village, with Alaminos a short drive away. The motorway between Larnaca and Limassol is within driving distance, linking the area to the wider district. This is a large, level piece of farmland in an agricultural setting.
