For Sale : **€ 25,000**

Description
On the scenic residential edge of Vavla, a peaceful hillside setting looks out over the traditional countryside of Larnaca District. The historic village centre is close at hand, and the gentle pace of village life sets the tone for everything around it.

This large residential field stretches across 7,024 m². Its zoning allows a home of up to two floors, set into the calm of the hillside. A connecting road runs close by. The neighbouring villages of Ora and Lageia, with everyday shops, are a short drive away.

Picture planning a home where the quiet of the hills surrounds you and the old heart of Vavla is only moments away. It is a place to shape at your own pace, rooted in authentic village surroundings.

The sale is a half share of the field, about 3,512 m² of the whole, with a distribution agreement in place.

A peaceful hillside corner of Vavla, with room for the home you have in mind.
