Description
On the rural outskirts of Kathikas, a short way from the village centre and close to a local winery, this 7,358 m² field lies in a well-known wine-producing area of Paphos District. The land is a sizeable parcel in a rural setting just outside the village. It falls within a protection zone. Peyia and Pano Arodes are both a short drive away, and the Limassol–Paphos motorway serves the wider region. It is a large piece of rural land within easy reach of Kathikas.
