Description
A flat agricultural field in Theletra, in the Paphos countryside, zoned for farming and open to planting or cultivation. The ground is flat, though the outline is irregular, which is worth bearing in mind when laying out rows or planting areas.

Old Theletra and the neighbouring village of Giolou are both a short drive away, and the Limassol–Paphos motorway is within driving distance. This is a flat parcel of farmland in a rural corner of the Paphos district.
