Description
Pine-scented walks and the east coast beaches frame this sizeable field on the edge of Liopetri. The Liopetri National Forest Park lies within walking distance, and the sea is a short drive away, so a day here can move easily from the shade of the trees to the sand. Covering 13,623 m², the land is level from end to end, an open, even canvas in a zone set aside for tourist use. Buildings of two to three floors are permitted, leaving room to imagine a place for visitors among the calm of village life. A registered dirt road runs along the field and gives it direct access. Beyond it, the main motorway is close, near the Xylofagou exit, linking this corner of Famagusta with Ayia Napa and Larnaca. Xylofagou, the village centre, cafés and shops are all a short drive away, and Larnaca International Airport is about 25 km off. Flat land, a forest on the doorstep and the coast close by give this field its lasting appeal.
