Description
On the rural outskirts of Theletra, two level fields together cover 32,657 m² of open countryside. The land has direct road access from a registered road, with a long frontage along it. Part of the land is agricultural and suits farming or planting. Another part lies in a protection zone.

The village centre of Theletra is a short drive away, as is neighbouring Miliou. Main roads are within a drive, and the Limassol–Paphos Motorway lies in the wider region. This is a sizeable, level stretch of land with its own road frontage.
