Description
In the village of Stroumpi in the Paphos district, this agricultural field covers 4,014 m². It has a regular shape, and its ground is partly a gentle, even slope and partly more sloping. The field adjoins a public road, so it has direct road access. The village centre is a short drive away, as are the neighbouring villages of Polemi and Koili. The Limassol–Paphos motorway can be reached by car. This is a regular, road-fronting piece of agricultural land with room to farm or plant.
