Description
A short distance from the sea in Mazotos, in the Larnaca district, this field spreads across 36,456 m² of open land. The village centre is a short drive away, with Anafotida a little further on. The land has no direct road access.

About half of the field lies in an agricultural zone, suited to farming and planting. The other half falls in a touristic zone, which allows tourist use. It is a large piece of land that brings farmland and touristic ground together in a single plot.
