Description
In Geri, a short drive from neighbouring Latsia, this sizeable residential field of 3,299 m² offers the chance to plan a home in a village setting.

The land is zoned for residential use and allows a home of up to two floors. That leaves generous ground to arrange the house just as you picture it, whether you want room to spread out or space between you and the neighbours.

Daily life is close at hand. The local sporting club is nearby, the centre of Geri is a short drive away, and Latsia brings schools, shops and cafés within easy reach. Access to the field is by a right of way.

This is a large piece of residential land in Geri, waiting for a home shaped around your own plans.
