For Sale : **€ 290,000**

Description
The sea is a short drive away and the heart of Mazotos is closer still. This residential field on the edge of the village gives you a generous stretch of land between village life and the coast.

Across 13,044 m², the ground lies flat. It is zoned for residential use, with room for a home of up to two floors. Picture planning a house here, with the village cafés and restaurants a few minutes away for an easy evening meal and the beach close enough for an afternoon swim.

Everyday needs are covered nearby, with shops, schools and a medical centre within a drive. The motorway and Larnaca International Airport are also a drive away, so trips further afield and journeys home stay simple.

A large, level piece of Mazotos, with the village on one side and the sea within easy reach on the other.
