Description
Cafés and restaurants lie within an easy walk of this residential field in the village of Vouni, in the Limassol district, so a morning coffee or a relaxed evening meal out can become part of everyday life.

The land covers 3,011 m², with an irregular outline and a gentle slope that a thoughtful design can work with. Its residential zoning allows a home of up to two floors, leaving room to plan a house shaped around the way you want to live.

Life in Vouni keeps the essentials within reach. Schools are a short drive away, as are the neighbouring villages of Agios Therapon and Potamiou, so village calm and daily routines sit comfortably side by side.

A sizeable piece of village land, with a café table only a stroll away, is waiting for the home you have in mind.
