For Sale : **€ 227,000**

Description
Parks and green spaces lie within walking distance of this residential field in Panthea, part of Mesa Geitonia on the edge of Limassol, while the town centre and everyday shopping are only a short drive away.

The field covers 5,302 m² of level ground and has direct access from a registered road along a long frontage. Its residential zoning allows for a home of up to two floors, set on a large, even plot.

Picture a family home rising here, a stroll from the neighbourhood's greenery for a morning walk, with Limassol Marina a drive away for an evening by the water. The motorway junctions are also easy to reach for trips further along the coast.

The sale is of a half share of the field, and a distribution agreement is in place. Level land, direct road access and a green residential setting close to Limassol give this field a lasting appeal.
