History is only a stroll away here. The Neolithic Settlement...

For Sale : **€ 120,000**

Description
History is only a stroll away here. The Neolithic Settlement of Choirokoitia lies within walking distance of this residential field, and the village centre is close by. It is a setting with a strong local identity, where everyday village life sits beside an ancient past.

The field covers 7,293 m² of residential land in a neat rectangular shape, and it has direct road access along its frontage. The zoning allows a home of up to two floors. There is room to plan a house that makes the most of its village surroundings, with the heritage site close at hand.

Getting about is straightforward. The motorway between Nicosia and Limassol is close, so the wider island is within easy reach, and the beach is a short drive away. Neighbouring villages such as Tochni and Psematismenos are also a short drive away.

The sale is for a half share of the field. It is a sizeable piece of residential land, a short walk from one of the island's heritage sites.
