For Sale : **€ 95,000**

Description
Cafés, restaurants and everyday shops within walking distance, and the beach just a short drive away: this residential field in Paralimni puts the pleasures of coastal life close at hand. Mornings could begin with a stroll for fresh bread and coffee, and afternoons could end by the sea. Protaras is also a short drive away, and Larnaca International Airport lies about 40 km away. Main roads are easy to reach from the area. The land is flat and rectangular, a calm, regular shape that is easy to picture a future home on. It extends to 3,131 m² in total and sits in a residential zone, with room for a home of up to two floors. It offers a level, simple setting, close to the sea and to the life of the town. The sale is of a half share of the field. A sizeable residential plot between Paralimni's everyday comforts and the coast, waiting for its next chapter to be imagined.
