For Sale : **€ 25,000**

Description
The sea is only a short distance away from this residential field in Pigenia, a village where coastal calm and everyday village life sit side by side. The beach is close enough to become part of your daily rhythm, while the village centre lies a short drive away.

The field extends to 8,362 m² of flat ground. Its zoning is residential, and up to two floors may be built, which gives room for a family home designed around the life you want. A level surface is an uncomplicated starting point when you begin to sketch out plans.

Picture days that start with a walk to the shore and end with an evening drive into the village for a meal with friends. With the beach and the village both within easy reach, this is a setting that suits a relaxed pace of life by the coast, all year round.

The sale is for a half share of the field.

Flat land, a residential setting and the beach close by: a place to imagine a coastal home of your own taking shape.
