Description
In the countryside of Dierona, three adjoining fields form a single holding of 12,942 m². Two of the three have direct access from registered roads, and the land borders government land. The fields lie within a special protection zone.

The village centre is a short drive away, and the Nicosia - Limassol Motorway can be reached by car, linking the land with the rest of the district. Together, the three parcels make a large, continuous stretch of land in Dierona.
