For Sale : **€ 190,000**

Description
Village life in Anogyra is close at hand from this large residential field, which lies a short way from the heart of the community. Restaurants and cafés are a short drive away, as are the neighbouring villages of Agios Thomas and Platanisteia, so everyday comforts and good company stay within easy reach.

The land slopes gently and runs along a registered road, giving it direct road access with a generous frontage. Along one boundary it meets a public green area, a pleasant neighbour for whatever takes shape here.

Its residential zoning leaves room for a home of up to two floors, set among authentic village surroundings. Picture a house rising on the gentle slope, the green area beside it and the village centre close by, a place to settle into a slower rhythm away from the pace of city life. The sale is for an 83% share of the land.

A gentle slope, open green space at its edge and the character of Anogyra around it make this a setting worth getting to know.
