Description
Set within Pegeia in the Paphos district, this agricultural field extends to 14,716 m² of countryside, some way from the village's residential area. Its zoning points to farming and planting, and its size gives a good area of ground to cultivate.

The villages of Kathikas and Akoursos are a short drive away, and the Limassol–Paphos Motorway is within driving distance. The field has no access by registered road and is reached along unregistered dirt tracks. It is a sizeable piece of farmland in the Pegeia countryside.
