For Sale : **€ 195,500**

Description
The beach at Argaka lies just a few steps away, and that closeness to the sea gives this residential land its warm, easy appeal. Here, village life and the Mediterranean shoreline sit side by side.

The land is large, at 11,037 m², with a neat rectangular shape and a flat surface. It fronts a registered road, so it has direct road access. Its residential zoning allows a home of up to two floors, so there is room to picture a home with the sand only a stroll away.

Everyday comforts are close at hand. Restaurants, cafés and shops are within walking distance, and the town of Polis Chrysochous is a short drive along the coast. Picture a morning walk on the beach, then a coffee in the village.

The sale is a share of just under a quarter of the plot, and a distribution agreement is in place. Through it all, the sea stays only moments from the land.
