Description
Agia Marina Xyliatou, in the Nicosia district, is home to this agricultural field of 10,703 m², used as land for animal breeding. A registered dirt road gives direct access, and the field has a long frontage along it.

The village centre is a short drive away, as are the neighbouring villages of Vyzakia and Agios Georgios Kafkallou. The Astromeritis–Evrychou road is within a drive. The field is subject to a requisition for defence works. This is a large piece of agricultural land with good road frontage.
