Description
In the countryside of Drouseia, in the Paphos district, this agricultural field covers 19,102 m² of irregular, sloping ground. Most of the land lies in an agricultural zone, suited to farming or planting, while part of it falls within a protection zone. The village centre and neighbouring Androlikou are both a short drive away.

The land has no direct road access. An active quarry adjoins one of its boundaries. This is a sizeable, sloping field of farmland within the Drouseia countryside.
